

REMARKS

This paper is responsive to the Non-Final Office Action sent electronically on December 8, 2008. Claims 1-4 and 7-15 are rejected. Claims 5-6 are objected to. Claims 16-20 are allowed. Applicants thank the Examiner for a detailed and
5 thoughtful examination of all the claims.

Claims 1, 6, and 16-20 remain in this application. Claim 1 is currently amended. Claims 6 and 16-20 are original. Claims 2-5 and 7-15 are cancelled.

Allowable Subject Matter

10 Claims 5-6 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Applicants have amended claim 1 to incorporate the content of claim 5 and thus claim 1 should be allowable. Also, claim 6 is likewise believed to be allowable over
15 the prior art of record at least for this reason because claim 6 depends from claim 1 directly.

Claims 16-20 contain allowable subject matter over the prior art of record.

Summary

20 In summary, claims 1, 6, and 16-20 are believed to be allowable over the prior art of record, and a Notice of Allowance to that effect is respectfully solicited.

Sincerely yours,

_____/Winston Hsu/
